MEMORANDUM FOR: Director of Training

SUBJECT : Midcareer Executive Development Course

The report of assessment of the Midcareer Executive Development Course transmitted to the DD/S in a memorandum dated 13 May 1968 was considered at the Deputies' Meeting on 25 July 1968. The program in its present format was approved for continuance. Specifically, we will continue a six-weeks course and four courses per year. The present criteria for selection are satisfactory on the understanding that provision is made for the exceptional candidate who does not meet the specific age and grade criteria. The suggestion that the Advanced Management Planning Course be made a part of the Midcareer Executive Development Course was obviated by the fact that AMP is now given every month. There was no discussion on the size of the classes nor the quota from each Directorate leaving any problems in this area to the suggested solutions as discussed in the report. [No position was taken on the requirement for a five-year career development plan as this subject will be addressed at a subsequent session of the Deputies' Meeting.]
